PAYMENT LEVELS AND DURATION OF PAYMENTS

Needs-Related Payments –

For adults – the payment level must be established by the Local Board.

For dislocated workers – the payment must not exceed the greater of either the following levels:

1. For participants who were eligible for unemployment compensation as a result of the qualifying dislocation, the payment may not exceed the applicable weekly level of the unemployment compensation benefit; or

2. For participants who did not qualify for unemployment compensation as a result of the qualifying layoff, the weekly payment may not exceed the poverty level for
an equivalent time period. The weekly payment level must be adjusted to reflect changes in total family income as determined by Local Board policies.

The following table provides the weekly level for those who did not qualify for unemployment compensation as a result of a qualifying layoff.
