

REQUEST TO SPEAK ON BEHALF OF THE VIRGINIA BOARD OF WORKFORCE DEVELOPMENT

Virginia Board of Workforce Development (VBWD) members are business and community leaders who often speak publically to a wide array of public and private groups. While we support board members representing the interest of the VBWD, approval must be obtained.

This protects not only the VBWD but also ensures alignment with the Freedom of Information Act (FOIA). Please send the completed form via email to Sara Dunnigan (Sara.Dunnigan@governor.virginia.gov), Executive Director of the Virginia Board of Workforce Development (804) 663-7464.
