BACKGROUND:

Under the Workforce Innovation and Opportunity Act (WIOA):

(36) LOW-INCOME INDIVIDUAL.—

(A) IN GENERAL.—The term “low-income individual” means an individual who—

(i) receives, or in the past 6 months has received, or is a member of a family that is receiving or in the past 6 months has received, assistance through the supplemental nutrition assistance program established under the Food and Nutrition Act of 2008 (7.S.C. 2011 et seq.), the program of block grants to States for temporary assistance for needy families program under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.), or the supplemental security income program established under title XVI of the Social Security Act (42 U.S.C. 1381 et seq.), or State or local income-based public assistance;

(ii) is in a family with total family income that does not exceed the higher of—

(I) the poverty line; or

(II) 70 percent of the lower living standard income level;

(iii) is a homeless individual (as defined in section 41403(6) of the Violence Against Women Act of 1994 H. R. 803—12 (42 U.S.C. 14043e–2(6))), or a homeless child or youth (as defined under section 725(2) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(2)));

(iv) receives or is eligible to receive a free or reduced price lunch under the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.);

(v) is a foster child on behalf of whom State or local government payments are made; or

(vi) is an individual with a disability whose own income meets the income requirement of clause (ii), but who is a member of a family whose income does not meet this requirement.

GUIDANCE:

The following guidelines are to be used in determining low-income eligibility. Poverty Guidelines are to be used for the “poverty line.” The 70% Lower Living Standard Income Level appropriate to the applicant’s place of residence should be used to determine eligibility, where appropriate.

The 100% of the Lower Level Standard Income Levels are to be applied when determining whether employment leads to self-sufficiency under **Workforce Innovation and Opportunity Act** programs. The 100% levels ***are not to be used to determine “low income” eligibility.***
